

# State Share of Instruction

- ★ Serves as Ohio’s primary financial support to public higher education
- ★ Provides unrestricted operating subsidies to Ohio’s 61 public colleges and universities, funding a portion of the operating costs of serving approximately 289,000 full-time equivalent (FTE) students

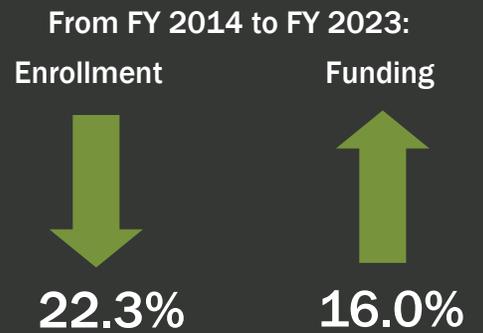

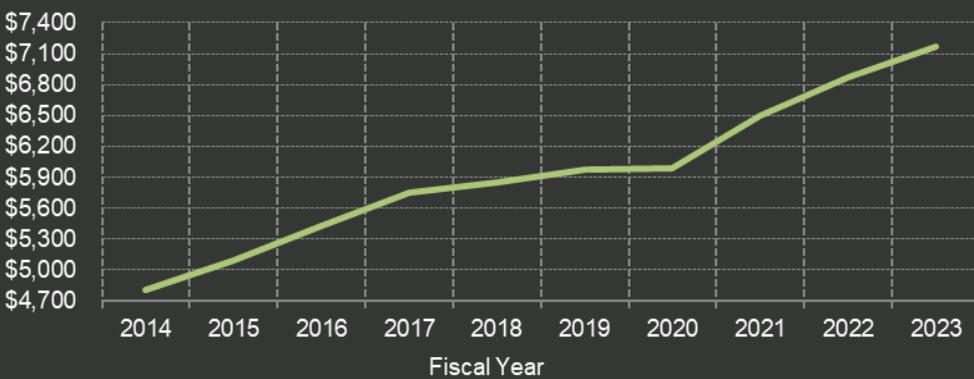

## Distribution (FY 2023)

SSI is allocated mostly through formulas based on institutional outcomes, such as student course and degree completion

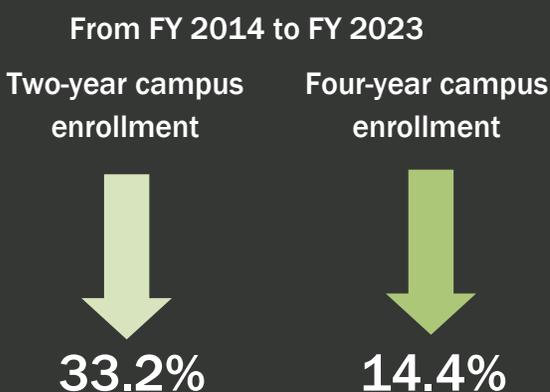

★ On a per-student basis, SSI reached a decade high of **\$7,173** in FY 2023

SSI Per FTE Student, FY 2014-FY 2023

SSI per student increased 49.4% since FY 2014 due to declining enrollment and increased appropriations

Total subsidy-eligible FTEs at public colleges and universities have decreased every year since FY 2014, led by two-year campuses
